MMR_0554 Donald Bailey Rocky Mountain Region Div 4 Colorado Springs, Colorado earned MMR in August of 2015

Don Bailey, a model railroader, achieved the title of Master Model Railroader (MMR) in 2015. The MMR designation is awarded by the National Model Railroad Association (NMRA) to individuals who demonstrate extraordinary service and contributions to the hobby. Don Bailey's accomplishments and dedication to the NMRA and the 4th Division have been recognized through this prestigious honor [1]. His railroad layout, located in a 13x32-foot basement room, features Code 83 Atlas flex track, Shinohara switches, and both Code 83 and Code 70 hand-laid track and switches [2]. It's inspiring to see enthusiasts like Don making significant contributions to the model railroading community! 🚂🌟
